**"Merkt und hört, ihr Menschenkinder" from "Christ unser Herr zum Jordan kam, BWV 7" by J.S. Bach ..... Nic Haggin**  
(translation opposite page)

The German text is as follows:  
Merkt und hört, ihr Menschenkinder,  
Was Gott selbst die Taufe heißt.  
Es muß zwar hier Wasser sein,  
Doch schlecht Wasser nicht allein.  
Gottes Wort und Gottes Geist  
Tauft und reiniget die Sünder.

In English:

Mark and hear, you humans,  
what God himself calls baptism.  
Indeed water must be there,  
yet not merely water alone.  
God's word and God's Spirit  
baptises and purifies the sinner

## Laryngitis

Laryngitis is an infection or irritation of the voice box (larynx). You may be hoarse, lose your voice, and feel the need to clear your throat a lot. You may have a fever, throat pain, and a cough and feel more tired than usual. You can get laryngitis because of :

- A virus, such as a cold.
- Allergies
- Lots of talking, singing and yelling.
- Cigarette smoke.
- Backflow (reflux) of stomach acid into the throat.

Your larynx usually heals in 5-10 days. If you drink alcohol or smoke, you may reach a point of chronic irritation. Home treatment:

- If a cold makes you hoarse, treat the cold. You may be hoarse for up to one week after the cold is gone.
- Rest your voice. Try not to talk much or clear your throat.
- Do not smoke, and avoid other people's smoke.
- Use a humidifier in your bedroom or your whole house. Or try standing in the steam from a hot shower.
- Drink extra water and other fluids.
- To soothe your throat, gargle with warm salt water. (1 teaspoon salt in 8 ounces water).
- If you think that acid reflux may be the cause, reducing heartburn may help.

When to call a doctor.

- You are hoarse or have lost your voice and have a fever 104 F.
- You have symptoms of a worse infection, such as fast or shallow breathing; a cough that brings up colored or bloody mucous from the lungs; or pain, fever and fatigue are getting worse.

You are hoarse for more than 2-3 weeks.
